

ENGLISH

Over this half term, we will be developing our writing skills by focusing on punctuation and vocabulary. Our first piece of writing will be a re-tell of a fantasy story that includes speech and descriptions of settings and characters. We will then move on to look at writing a film review and how to give our opinion within this, before finishing off by looking at persuasive language by writing a persuasive letter around the HS2 rail project.

MFL

We will continue to develop our speaking and listening skills in French. This half term we will focus on clothing and shopping.

RE

We will be exploring stories within Christianity to think about 'What do Christians believe Jesus did to 'save' people?

ART

In this topic, we will be exploring Chinese Art, looking at traditional colours and styles. We will also look at and recreate Chinese calligraphy before recreating a Ming vase.

MATHS

We are going to continue building and developing our skills using all four operations.

Year 5 will be focusing on converting measures, graphs and diagrams, solving multiplication and division, subtraction methods and calendars, timetables and calculators.

Year 6 will be looking at measures, mean, median and mode, time and money, using subtraction and addition and division.

As always, we will continue to develop our mental maths skills through a range of activities.

SCIENCE

Our topic this half term is Evolution and Inheritance. We will be looking at how offspring are different to parents, how plants and animals have adapted to their habitats and how scientists such as Charles Darwin and Carl Linnaeus have helped develop our understanding of the process of evolution.

HISTORY

This half term we will be travelling to China to explore the Shang Dynasty. We will be looking at the Shang kings and royal burial rituals before moving on to looking at the lives of ordinary people.

PSHE

This half term, we will be looking at the question 'How can we work together and communicate effectively?', focusing on team work.
